Making Choral Music – Fall 2021

Monday 12:00-13:20 and Friday, 9:00-10:20

INSTRUCTOR: Dr. Isaac Droscha,

OFFICE: 2359

PHONE: ext. 8909

EMAIL: droscha@ust.hk

COURSE OUTLINE:

By studying and performing pieces from the historical canon of classical choral masterpieces, students will gain an in-depth and hands-on appreciation for the history and artistry of Western music. The performance practicum and analytical skills demonstrated will bring about a deeper understanding of music as an art form. Students will both research and perform these works to gain an unique appreciation for the music. Students will also learn the fundamentals of singing technique. Previous musical training, albeit helpful, is NOT required.

INTENDED LEARNING OUTCOMES:

On completion of the course, students should:

- 1: Through a historical survey, develop a deeper appreciation of classical choral music
- 2: Through practice and performance, gain a basic understanding of vocal technique
- 3: Through analysis of specific works, understand music theory fundamentals
- 4: Apply analytical skills from this course to other disciplines through creative thinking
- 5: Show proper team working attitude and skills to motivate other members
- 6: Perform a concert of choral works with correct understanding of style and group vocal technique

COURSE MATERIALS:

Most course materials will be available on CANVAS

EXTRA REHEARSALS AND FINAL CONCERT:

A few extra **COMPULSORY** rehearsals will be scheduled outside of class in order to prepare for the final concert. The proposed dates (subject to discuss and revision) are:

FINAL CONCERT (preconcert dress rehearsal included)

ASSESSMENTS:

Components	Percentage	Nature of Assessments	ILOs
Final Exam	25%	Individual and Group	2,4,5,6
Mid-term	20%	Individual and Group	1,2,3,5
Quizzes	30%	Individual	1,2,3,5
Attendance/participation	15%	Individual	2,4,5,6
Concert Attendance	10%	Individual	1,3

- Attendance will be taken every day
- No exceptions: Do not ask the IAs to sign you in if you miss the attendance
- You may miss three classes without penalty, but starting from your fourth absence, one percent will be deducted for each absence (10% maximum deduction).
- The quizzes are designed to help you to prepare for your Midterm and Final Exam and review the lectures/rehearsal. Quizzes will be in two parts: administered online through CANVAS covering the lecture material; part testing by appointment to test your preparation of the music (this will be done in assigned octets)
- NO make-up exam or test will be offered. If you miss the Midterm, the total score will be transferred to the final exam (i.e. the weight of final exam will become 50%).
- Absolute grading system will be used to calculate your final letter grade. However, here is HKUST's Norm for reference: A(10-20% of the class), B(25-40%), C(35-45%), D(5-10%), F(0-5%)
- When you attend the Intimacy of Creativity students will be asked to write a short 500-word review of the experience and how it relates to the material in this course. This assignment will serve as an opportunity for students to apply musical terminology and concepts they have learned in the class to the real world process of creating music.

ACADEMIC HONESTY:

If you are being dishonest in the course, the penalty is an F for the COURSE.

Cheating: a) If you look at other students' papers or materials (ex. notes) during exam or test.

1. b) If you claim credit for another student's work in group projects.

Plagiarism: If you copy sections from a source without referencing it.

Excerpt from <http://www.ust.hk/vpao/integrity/>

"If you are discovered cheating (Plagiarism is considered to be cheating also), however minor the offence, the course grade will appear on your record with an X, to show that the grade resulted from cheating. This X grade stays with your record until graduation. If you cheat again and "earn" another X grade, you will be dismissed from the University. In serious cases, your department may ask the Student Disciplinary Committee to look at the case. The Student Disciplinary Committee can require you to do campus community service; take away your eligibility for a degree with honors, or scholarships and prizes; suspend you from the University, or simply dismiss you right away.
